Dear TAN SIEOW YEEK (WEBCONS.BIZ),

PLEASE READ THIS EMAIL IN FULL AND SAVE IT FOR YOUR RECORDS

Your hosting account has now been setup and this email contains all the information you will need in order to begin using your account.

If you have requested a domain name during sign up, please keep in mind that your domain name will not be visible on the internet instantly. This process is called propagation and can take up to 24 hours. Until your domain has propagated, your website and email will not function, we have provided a temporary url which you may use to view your website and upload files in the meantime.
